

Lightweight hike and camp weekend

Hertfordshire Guide Centre,
Cottered, SG9 9QP

17 – 18 May 2025

A great opportunity for an adventure!

With your team, independently navigate on a hike, going from base to base on a set route.

Once you're back at camp put up your tent and cook your own dinner on a lightweight stove before joining the evening campfire and outdoor movie.

In the morning there'll be time for camp breakfast before you head off home.
